If you need a prescription refilled and you are an existing patient of one of our providers, please call your pharmacy and have them fax a request to your provider. They have the appropriate and accurate information and this will speed up your request.

Please allow [72](#) hours for your request to be processed, during regular hours Monday through Friday.

If you have not been in to see your provider recently, you may need a visit to ensure your health and safety.

NARCOTICS WILL NOT BE REFILLED BY TELEPHONE.
